

## **ROUNDBABOUT CONSTRUCTION WEEKLY SCHEDULE FOR THE WEEK OF MAY 14<sup>th</sup> thru May 20<sup>th</sup>, 2017**

For the week of May 14<sup>th</sup> – May 20<sup>th</sup>, traffic will remain on the Barclay side of the roundabout as work on the McKinney Butte portion continues. McKinney Butte will remain closed as the contractor will be performing concrete paving in the roadway, and in the truck bypass. The contractor will also be installing permanent signs throughout the project area next week. No delays are anticipated during daytime hours next week, other than the McKinney Butte detour.

As of today, we are on schedule to have Barclay and McKinney Butte open by Memorial Day Weekend with the Roundabout operational at that time. There will still be a month of night time work occurring after that point to complete the work, but the impacts to traffic during the day will be minimal.
